"TLC for your kids."

Newsletter

October | 2020

Welcome to the first of our monthly newsletters. Communicating regularly to our families is a priority and this is one of several tools we're using to keep in touch. If you haven't already, please follow us on Facebook and Instagram.

Flu Shot Clinics

It's time to get vaccinated for the seasonal flu and we are making it quick and easy by hosting a series of drive-through, outdoor flu shot clinics for all members of the family.

Oct 17 – TLC Ahwatukee office

16611 S 40th St Ste 160, Phoenix

Oct 24 – TLC Chandler office

1783 E Queen Creek Rd Ste 4, Chandler

Appointments are required, so please **call to schedule at 480-940-8527**. All patients must be up to date on their well child checks and must bring a completed pre-vaccine questionnaire. Please note that everyone four years and older must wear a face mask.

Dr. Sekhadia

Last September, TLC Pediatrics welcomed our newest physician, Nima Sekhadia, MD. A Tucson native, she graduated from the University of Arizona College of Medicine and completed her pediatrics residency at Children's Hospital of the King's Daughters in Norfolk, Virginia.

"I love how diverse our patients are," she said. "Each day is different and it's been a pleasure being welcomed by our families. I am extremely grateful for your continued trust in my care!"

Dr. Sekhadia is fluent in Spanish, Hindi and Gujarati and is accepting new patients.

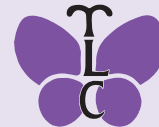

Contactless Check-in is Here!

The eClinicalWorks Patient Portal is designed to give patients and their guardians access to medical information over a secure internet portal. We'll be featuring a number of great tools offered through the portal in coming issues.

Today, we are featuring the new healow® CHECK-IN. Once you confirm this service within the portal, you'll receive an automated email reminder the day prior to your child's appointment. After confirming the appointment, you can start the check-in process, verify insurance coverage, make payments, sign forms, review medications and upload your insurance card information (if new). When you arrive to the office with your child, all that's left to do is click "I have arrived" on your smartphone to begin the check-in process.

Healow® CHECK-IN is a convenient and safe process to check-in and keep your account updated.

You can create a patient portal account by going to our website and log in using your mobile phone number.
